

# Classroom Adventures

**Our Programmes**

---

classroom  
adventures.  
EXPLORE • ENGAGE • EMPOWER

# Our Approach

1

## **METACOGNITION**

Consistent reflection and debrief moments allow students to develop critical thinking and be analytical with their decisions throughout the simulation.

2

## **IMMEDIATE FEEDBACK**

Students undergo experiential learning when they encounter the direct impact (positive or negative) of their decisions in each simulated life scenario.

3

## **COGNITIVE GROWTH**

Students will keep track of multiple conditions and opportunities while utilizing strategic thinking skills and logic, as well as problem solving skills whenever new obstacles or challenges are presented.

# Common Sens

[@mycommonsens](https://www.instagram.com/mycommonsens)

Common Sens is a financial literacy programme using game mechanics centred around the simulation of real-life scenarios to engage students while building their financial knowledge in a fun and meaningful way.

Our goal is to elevate levels of basic financial literacy among students from low income communities. We are currently partnering with a local bank to provide free workshops for all students in Malaysia.

## What we offer :

- **Secondary School Workshops**
  - Duration : 2.5 hours
  - Age : 14 - 17 years old
  - 30-40 students per session
  - Virtual / Physical

- **Primary School Workshops**
  - Duration : 2 hours
  - Age : 10 - 12 years old
  - 30-40 students per session
  - Physical

# Project R.ED

[@projectr.ed](https://www.projectr.ed)

Project R.ED (Reimagine Education) is a six month programme that aims to empower children by providing value centered support in academics and character development.

By the end of the programme, we hope that the students will be able to develop a strong sense of ownership in their identities that will help them to navigate through life and all of its challenges.

## What we offer :

- Lesson Activities on Social Emotional Learning that can be incorporated into any subject
- Training and Coaching on Social Emotional Learning for Educators
- Children Event Activities
